Status

GLP compliance status. Please use one of the following codes:

- ic (in compliance);
- nic (not in compliance);
- pen (pending, explanation in *Remarks* field);
- rfp (removed from program, specify date and reason of removal in *Remarks* field)

Nature of inspection

Please use one of the following codes:

- fac (facility inspection);
- sa (study audit);
- full (fac+sa);
- re-i (re-inspection as follow-up to full inspection).

Area of expertise

The following codes should be used, if applicable:

- 1 physical-chemical testing;
- 2 toxicity testing;

- 3 mutagenicity testing;
- 4 environmental toxicity studies on aquatic and terrestrial organisms;
- 5 studies on behaviour in water, soil and air; bioaccumulation;
- 6 residue studies;
- 7 studies on effects on mesocosms and natural ecosystems;
- 8 analytical and clinical chemistry testing;
- 9 other studies, specify.
