

# Rotating bonded abrasive products

Free movement of goods is ensured by the harmonisation of technical regulations at European level and, where the legislation is not harmonised, by the principle of “mutual recognition”. Hereafter the information about rotating bonded abrasive products.

## Scope

The following rotating bonded abrasive products used for grinding and cutting operations performed with portable power tools are covered by the provisions of the decree mentioned under “French regulations” below:

- Bonded abrasive grinding discs:
  - flat discs for cutting,
  - with a depressed centre for deburring,
  - with a depressed centre for cutting
- Diamond cutting discs.
